

CCJLSA Scholarship Rules & Guidelines

- Applicant's family are members of the CCJLSA by Dec. 1 each year the student exhibited.
- Applicant's are members in good standing in the FFA or 4-H at the time of application.
- Applicant's participated as exhibitors in the show for at least 2 years during high school.
- Applicant must have participated in operation of the Concession stand, or another part of the Show & Sale process, during the Stock Show and Sale each year they exhibited in the show during their high school years. Students should collect documentation for the activities in which they participated. The following information is required: (1) Student Name and Club Affiliation, (2) Signature of Adult in charge of concession stand, or any activity in which the student actively participated to assist the CCJLSA.

Currently, each of the four high schools and the 4-H program will be provided three (3) \$1,000.00 scholarships to award to students. The CCJLSA has the final determination of how many scholarships will be offered each year and how much each scholarship will be worth. These decisions will be made by the association based on available funds raised by the concession stand. All three scholarships must be awarded or they will be lost. No 'roll over' policy will be offered.

The CCJLSA President will appoint a committee to review and select scholarship winners. Scholarship recipients will be selected from applications received from FFA Booster Clubs and the 4-H Extension office. Winners' names will be given to the organizations for recognition at their Awards programs. The recipients are then required to turn in a copy of their tuition payment for the fall or spring semester from the school they are attending and a thank-you note to the association in order to receive payment. **Please send proof of tuition payment and thank-you note to: CCJLSA, P.O. Box 311976, New Braunfels, Tx 78131-1976.** Expiration of this scholarship award is April 1st of the following year the award is originally made.

If the student applicant is applying through FFA, the student must fill out a general scholarship application (available in the Counselor's office or Career Center), provide a copy of their transcript, a personal statement of their future plans to utilize the scholarship money, and they should meet the rules and guidelines provided by the CCJLSA as mentioned above.

If the student is applying through 4-H, the student should contact the Extension Service office for other application requirements and further details. They are also required to meet the rules and guidelines provided by the CCJLSA as mentioned above.

These guidelines pertaining to the CCJLSA Scholarship Program may be changed or amended by the Association Membership as needed to improve the scholarship awards program process.

If you have questions concerning the scholarship process, please contact Carl Hoffmann at carlhoffmann@gvtc.com.
